

California OES Weather Threat Briefing

Sunday, March 7, 2021
9:00 AM PST

Day 1 (Sunday): No significant impacts expected

National Weather Service

*Western Region Headquarters
Regional Operations Center
Salt Lake City, UT*

WEATHER KEY POINTS

03/07/21 - 03/13/21

Sunday-Saturday

- No significant impacts are expected Sunday.
- Cool and unsettled conditions are expected Monday through Thursday across the state, bringing periods of rain, mountain snow, gusty winds and isolated thunderstorms.
 - Mountain snow may lead to travel impacts across northern mountains and the Sierras beginning Monday, and southern California mountains beginning late Tuesday.
 - Rainfall rates may produce minor runoff and debris flow, but no widespread significant impacts are expected.
- Drier weather with milder temperatures are expected by Friday and into next weekend.
